COMMENT

Four weeks ago today we played Wolverhampton Wanderers in the Fourth Round of the F.A. Cup. This afternoon they are again our visitors, this time in a League match, and once more we extend to their officials, players and supporters a cordial welcome to White Hart Lane.

Wolves always provide attractive opposition, and we can expect a stern tussle with the men from Molineux this afternoon. It is no test of memory to recall the hard struggle we had to finish winners over Wolves in the Cup, and we could not complain at our defeat by two clear goals at Wolverhampton in December.

Wolves have been under the management of Mr. Bill McGarry since November, and with their Cup interests for the season ended, he is urging his team to finish in the highest possible position in the League.

Our own Cup interests are, of course, still very much alive, but we are still eager to finish the season in a sound League position. There should, therefore, be no mid-table apathy attaching to the match today.

NO WIN

Since the Cup-tie here last month, Wolves have played three League matches, and have failed to win any of them. Their first match after the Cup knock-out was away to Everton, where they lost 0-4.

Wolves' last two matches, both at Molineux, have ended all square. They

drew 1-1 with Burnley, and last Saturday were held to a 2-2 draw by Manchester United. Against United, Wolves were winning 2-0 at half-time, but the Manchester team scored twice after the break.

Top scorer for Wolves is Derek Dougan, who has nine League goals to his credit this season. He has also scored three times in Cup matches.

The rest of Wolves' goals have been scored by Frank Wignall and Peter Knowles 7 each; John Farrington 4; Mike Bailey and David Wagstaffe 3 each; Mike Kenning and Frank Munro 2 each; and Hugh Curran 1.

Frank Wignall, who played part of the second half as substitute against us in the Cup, has since been transferred to Derby.

QUIZ FOR TODAY—Answers on page 13

1. Who scored Wolves' goal against Spurs in the F.A. Cup here last month?
2. A forward, now playing for another London club, made his League debut for Spurs in a home match against Wolves in March, 1965. Can you name him?
3. A former Wolves international forward played against Spurs for Aston Villa in the Fifth Round of the F.A. Cup. Who is he?
4. Spurs' last League goal of last season was scored against Wolves at Molineux. Who was the scorer?
5. Who was the substitute called upon to play for Spurs during the away match with Wolves in December?

NOT ALWAYS GOLD

Wolves have sported shirts of old gold for a long time, but in their very early years they wore red and white vertical stripes. Then came the adoption of their modern colours in the form of old gold and black stripes, a design which was retained, with slight modifications, until 1934, when the all-gold shirt was introduced.

Until a few years ago Wolves wore black shorts. Now they play in an all-gold strip.

POST-WAR CLASHES

Here are the results of all post-war meetings between Spurs and Wolves. Spurs' score is shown first, and all League matches have been in the First Division.

F.A. Cup

1968-69 Round 4 2-1

DID YOU KNOW . . .

THAT Wolves have won the F.A. Cup four times?

THAT when Wolves won the F.A. Cup in 1908, they were in the Second Division?

THAT Wolves were one of the original 12 clubs to form the Football League in 1888?

As these notes had to be written before Wednesday evening's match with Southampton, it has not been possible to make any reference to that fixture.

MAN IN CHARGE

Referee for today is Mr. Tom Dawes of Norwich, who ranks with the most experienced officials in football.

Mr. Dawes is, in fact, in his 11th season on the Football League List. His path to the top as a referee was via the East Anglian and Eastern Counties Leagues.

In his younger days Mr. Dawes played in good-class amateur football himself. He served in the R.A.F., and it was an injury sustained in a Service match that put an end to his activities as a player.

Mr. Dawes has refereed many big games in the F.A. Cup, and has also officiated in the European Cup. He is employed as a sales representative.

His last match on this ground was the occasion of Manchester City's visit in February, 1967. Last Saturday he refereed the League match between Arsenal and Burnley at Highbury.

SEMI-FINAL

We hope a good crowd will be here on Wednesday evening next for the second leg of our Football Combination Cup Semi-final with Southampton Reserves.

We were beaten in the first leg at Southampton by 2-0 in December, and therefore start at a disadvantage. It should not be beyond our second string, however, to wipe out the arrears and score the extra goal to qualify for the Final, in which we would meet West Ham United or Cardiff City, the other Semi-finalists.

West Ham have already won the home leg by 4-0, and should therefore reach the Final.

Spurs have done well in the Combination Cup since the competition was revived two seasons ago. We were joint winners of the trophy with Leicester City in 1966-67, and last season were defeated by only an odd goal in the double-leg Final by Arsenal.

Normal Reserve-match prices of admission will apply.

CUP WIN

Wellingborough 0, Spurs "A" 2

The "A" team were good winners of their Second Round Metropolitan League Challenge Cup match at Wellingborough last Saturday.

The ground conditions were all against good football, but once Spurs had taken the lead in the first half, the home team never offered any serious threat. Our first goal was scored by Jimmy Neighbour, who gathered a free-kick by Terry Naylor, and eluded a defender before shooting into the net.

Steve Pitt scored our second goal in the second half after the ball had been squared back to him by Neighbour. It was Steve's 13th in competitive matches this season.

Team: Daines; Holder, P., Bish; T. Naylor, Evans, Henry; Shoemark, Neighbour, Perryman, Gilroy and Pitt.

TRAVEL

Henry Coaches will operate a service to Lancashire for our Sixth Round F.A. Cup-tie next Saturday. If we are due to visit Manchester City, the return fare will be 24s., but if our destination is Blackburn, it will be approximately 26s. Our opponents were not known at the time this programme went to press.

The departure times will be 7.15 a.m. from No. 1 Broad Lane, N.15 and 7.30 a.m. from Whitehall Street, N.17.

British Rail will run special trains from Euston to either Manchester or Blackburn, the return fare being 66s. in either case. Running time to Manchester is just under three hours, and to Blackburn about three and a half. Full information will be available from Euston Station.

AWAY BOOKINGS

Supporters planning to watch our away League match with West Bromwich Albion on Easter Monday, 7th April, may wish to note that tickets for seats priced 10s. and 12s. 6d. will be available six weeks in advance of the date of the game. All applications must be made direct to the West Bromwich club at The Hawthorns, West Bromwich, Staffs.

BEATEN AT LEAVESDEN

The Youth team lost 1—3 away to Watford in the South-East Counties League last Saturday. In view of the unfit state of the Watford pitch, the match was switched to the Leavesden Mental Hospital ground. Our goal was scored by newcomer Michael Kingham, who happens to be a Watford boy! Team: A. Hafford; I. Cassidy, M. Embleton; Dillon, A. Bennett, G. Souness; J. Oliver, Edwards, Clarke, R. Wiles and M. Kingham.

JUNIOR CUP

On Tuesday evening our Youth team visits Ipswich Town in the Third Round of the Southern Junior Floodlight Cup, kick-off 7.30 p.m.

In the last round Spurs beat Bristol City Youth 5—0 on this ground after a 4—4 draw at Ashton Gate. Last season we were knocked out 1—2 by West Ham United at Upton Park, and although Ipswich have a strong Youth side, we hope our boys will make further progress in the competition.

JUNIORS BEATEN

Spurs' juniors were beaten 1—2 at Millwall on Monday evening. Millwall scored from a penalty, and netted the winner in the closing minutes. Spurs' goal was a header from John Oliver.

FLASHBACK

TO 20 YEARS AGO
THIS WEEK-END

SPURS, third on the Second Division table, dropped a valuable point at home to West Ham United in a 1—1 draw. The game was played at a fast pace, but Spurs were not at their best that day.

Terry Woodgate, West Ham's outside-right, scored an early goal, but midway through the first half Les Bennett equalised from a centre by Sonny Walters.

Team: Ditchburn; Tickridge, Withers; Nicholson, Woodward, Burgess; Walters, Bailly, Duquemin, Bennett and Jones.

Dick Walker, who is now on our staff, was centre-half for West Ham.

Queen's Park Rangers v. Spurs. Philip Beal (dark shirt) and Les Allen, our former player, in a tussle for the ball.
