Third Attempt

THIS afternoon we make our third attempt to win a home League match, and we need hardly declare to our supporters that the players are approaching this fixture in a very determined frame of mind.

There can be no complaint with our record to date in away matches this season, but we cannot afford to surrender even one point on this ground today.

We are sharply aware that our supporters must have been acutely disappointed that our home matches with Leeds United and Burnley should have ended in home defeats. Whatever may happen away, it was no way to open our programme of home matches, and the fact that we conceded three goals in each strikes even deeper.

We give full credit to both Leeds and Burnley for the fine football they played, but know we were at fault defensively in conceding as many as six goals in the two matches.

This is, in fact, the first season in which we have been beaten in our two opening home fixtures since 1955-56, when we surrendered all four points to Burnley and Manchester United.

Sheffield United, who have already lost narrowly in North London this week to Arsenal, will, of course, have their own ideas about the outcome of today's clash. We can only repeat that we are in no mood for another home failure.

WELCOME, BLADES

To the Blades we extend a hearty welcome, and their record in the League to date suggests that our players will have to supplement their mood to win with their ability and skill to find a way through the Sheffield defence.

Elsewhere in this programme it is on record that the Sheffield club has not won a League match on this ground since 1938. Records like that are no more than interesting. They have little or no bearing on what is likely to happen today.

If Spurs record their first home win today, there is little doubt that we will have earned it.

ANFIELD AGAIN . . . After Wednesday's match in Zürich, we return to League football at Liverpool next Saturday . . . Liverpool are reigning League champions . . . Last season we played the Merseysiders six times, twice each in the League, League Cup and U.E.F.A. Cup . . . We drew 1-1 at Anfield in the League, lost the first-leg Semi-final of the U.E.F.A. Cup there 1-0 and drew the away League Cup-tie 1-1 . . . Spurs' last win at Anfield was as long ago as March, 1912 . . . Liverpool were away to Derby County on Wednesday evening . . . Today they are away to Birmingham City . . . Mr. Harold Hackney will referee the match at Anfield.

MAN IN CHARGE

The referee today is Mr. John Hunting of Leicester.

A lecturer in physical education at the City of Leicester Polytechnic, Mr. Hunting took up refereeing while on National Service with the Army in Egypt and Cyprus.

He progressed through the Leicestershire Senior League and the Football Combination to the Football League Line in 1966, and was promoted to the full referees' list two years later. This season he has been appointed to the F.I.F.A. panel of referees following the retirement of Norman Burtenshaw.

Mr. Hunting was a linesman in the 1971-72 F.A. Cup Final between Arsenal and Leeds United. His last match on this ground was our League fixture with Everton last season.

He plays squash and badminton and represents the Leicester Polytechnic teams in local leagues.

SEASON BY SEASON

Declan O'Neill, a 17-year-old Spurs enthusiast, living in the Dundrum district of Dublin, has written suggesting we include a season-by-season breakdown of players' appearances in the programme. As these statistics may also interest many other supporters, we will publish this information as space permits throughout the season.

First under the statistical spotlight is **CYRIL KNOWLES**, who made his League debut for Spurs, appropriately enough, at home to Sheffield United in August, 1964.

BACKTRACK . . .

Reviving incidents from past League matches with Sheffield United

LAST season Sheffield United were our visitors just before Christmas. It was not a good match but we had the satisfaction of beating the Blades by two clear goals. Prior to that win we had picked up only one point from four League matches. **Martin Chivers** ran through to put Spurs in the lead in the first half, and **Steve Perryman** made sure of the points by steering the ball past **Tom McAlister** after an exchange of passes with **Chivers** . . .

Martin Chivers

When **Spurs** visited Sheffield United in February, 1968, **Tony Currie**, now one of the outstanding players in League football, made his First Division debut for the Yorkshire club. It was a disappointing night for **Spurs**. **Jimmy Greaves** raised our hopes with an early goal, but **Barry Wagstaff** equalised and **Currie** put Sheffield in front before half-time. **Gil Reece** increased United's lead during the second half, but **Spurs** could manage only one further goal, a great effort by **Chivers**, and we were beaten 3—2 . . . It was a happier story for **Spurs** in December, 1965. We then won 3—1, our last victory at **Bramall Lane**. Scorers for **Spurs** that day were **Cliff Jones 2** and **Frank Saul** . . .

Today's is the 33rd League match between **Spurs** and **Sheffield United** on this ground, and on one occasion only have the **Blades** scored more than twice in any game. That was in April, 1962, when they held us to a 3—3 draw. In an eventful game **Spurs** took the lead, but two goals by **Bill Hodgson** changed the outlook for **Sheffield**. **Spurs** were level again before half-time, and **Danny Blanchflower** put us in front once more from the penalty spot in the second half. At the other end **Ron Simpson** also converted a penalty to save a point for the **Blades** . . . United's visit in March, 1955 was a memorable occasion for **Johnny Gavin**, our outside-right. **Spurs** won 5—0, and **Gavin** scored four of them. The other was notched by **Johnny Brooks**, and all five goals were scored in the second half . . . The last time **Sheffield** put as many as five in **Spurs'** net was in November, 1953. **Alf Ringstead** scored a hat-trick and **Harold Brook** and **Derek Hawksworth** netted the last two. **Spurs'** scorers in a 5—2 defeat were **Sonny Walters** and **Les Bennett** . . . **Spurs'** biggest-ever win over **Sheffield United**? It was by 7—0 on this ground in a Second Division match in November, 1949. **Spurs** won promotion that season with the "push-and-run" side, and **Sheffield** met us at our best. At half-time we led 5—0 with goals from **Len Duquemin 2**, **Les Medley 2** and **Sonny Walters**. In the second half **Walters** completed his hat-trick with two more. Former **Spurs** centre-half **Jack Chisholm** was in the **Sheffield** team that day . . . Back in May, 1939, the boot was on the other foot. It was the last day of the season and **Sheffield** needed to win to ensure promotion. They did it in style, crushing **Spurs** 6—1. **Jimmy Hagan** scored three, **George Henson** netted a couple and the other home scorer was **Harold Hampson**. **Spurs'** lone goal, scored after the **Blades** were four up, was netted by left-winger **Les Miller** . . . **Sheffield United** have not won a League match on this ground since Good Friday, 1938. They defeated us by 2—1 that day, and rubbed it in with a 1—0 win over us at **Bramall Lane** on the Easter Monday . . . The First Division match on this ground in December, 1933 was a day of personal triumph for **George Hunt**, our brilliant and popular centre-forward of that era. **Bobby Barclay**, **Sheffield's** English international inside-right, gave them an early lead, but **Hunt** scored a couple before half-time, and put another two past goalkeeper **Jack Smith** in the second half . . . Turning the pages of history back even further, there was an occasion, in March, 1927, when **Spurs** made a fine second-half recovery to hold the **Blades** to a 3—3 draw at **Bramall Lane**. United scored three early goals in as many minutes, but **Arthur Sanders**, our centre-forward, pulled one back just before half-time. **Taffy O'Callaghan**, playing one of his early games for **Spurs**, scored the two point-saving goals in the second half . . . **Spurs'** biggest-ever win at **Bramall Lane** was by 4—1 on the opening day of season 1913—14. Our goals were scored by **Jimmy Bauchop 2**, **Billy Minter** and **Fanny Walden**. If you remember those three, you remember **Lloyd George**!

Jimmy Hagan

When **Spurs** face **Grasshopper-Club** in **Zürich** next Wednesday evening it will be the first time we have played a European competitive match against a Swiss club. As we won the trophy two seasons ago, and reached the Semi-finals last season, it will be our twelfth tie in the U.E.F.A. competition.

HOLDER'S FIRST

Burnley 2, Spurs 2

Phil Holder

A draw from our visit to Burnley on Tuesday evening was pleasing for more than one reason. A point away is a point gained, we had been beaten here by Burnley last week and we managed a draw after facing a two-goal deficit.

Burnley's first goal was scored by Geoff Nulty just under the half-hour, and our prospects worsened when Colin Waldron headed a second for the home team.

It was in the closing minutes of the first half that **Phil Holder** reduced Burnley's lead and enabled Spurs to cross over in a happier mood. Holder hit a low drive that was

deflected into Burnley's net for his first-ever League goal.

It was only a few minutes after half-time that **Martin Peters** put us level with a smart header from a well-measured cross by Ralph Coates. Joe Kinnear replaced Jimmy Neighbour late in the second half.

Team: Jennings; Evans, Knowles, Coates, Dillon, Beal, Holder, Perryman, Chivers, Peters and Neighbour (sub. Kinnear).

OLD SPUR...

Arthur ("Darkie") Lowdell was a welcome visitor when we played Leeds here at the beginning of this month.

If you saw Lowdell play, you've been supporting Spurs a long time. He joined Spurs from Sheffield Wednesday in the summer of 1927, and stepped straight into our First Division team at right-half. During the following season he was appointed captain.

Arthur took a roundabout route to Spurs. An Edmonton boy, he attended Eldon School, and joined Wednesday from Ton Pentre, the Welsh club. His total of League and Cup appearances for Spurs was 90.

Now in his seventies, he lives at Canvey Island. He is proud to have been a Spur, and tells us one of his happiest recollections of those far-off days was the summer tour of Malta in 1929.
